

## LEADERSHIP LONG BEACH

YOUTH LEADERSHIP PROGRAM

### PROGRAM OVERVIEW

Youth Leadership Long Beach is a unique opportunity for 30+ diverse high school students to join other young emerging leaders from across Long Beach to experience a five-month, environmentally focused community leadership program.

### PARTICIPANTS WILL...

Have the opportunity to identify the leadership strengths within themselves. They will also have the opportunity to create solutions to some of our community's biggest problems.

Become informed members of their community as they learn about the vast resources the city offer and become climate ambassadors.

Meet community leaders and professionals within the environmental and STEM fields and learn the role STEM fields play across various sectors of Long Beach.

Learn how to leverage these new relationships and use them to grow academically and professionally.

### PROGRAM INSTRUCTION

This program uses Next Generation Science Standards to help promote science literacy and the following overarching themes are present throughout the program: leadership, environmental stewardship, philanthropy, and diversity, equity, inclusion (DEI) + belonging.
